

Over the last 10 years, HOPE Qatar has established itself as a pioneer in the field of educational and interventional services to the differently abled children in Qatar. It has become a reputed source of solace to parents who seek meaningful, impactful, and affordable support for their special child.

Having commenced its activities in Qatar in the year 2005, HOPE Qatar has become a pioneer in providing Help, Opportunity, Participation and Education to children with special needs. HOPE Qatar is a private, non-profit training center that provides meaningful and affordable training in a caring atmosphere that focus on bringing out the best in each child.

Recently HOPE Qatar opened its doors to Qatar Cool, a major district cooling company in the state. Qatar Cool volunteered their services and time in carrying out maintenance work and painting of the exterior of the building and compound walls. Qatar Cool takes its responsibility to the community seriously with numerous corporate social responsibilities aimed at the community, education and the environment.

Yasser Al Jaidah, Chief Executive Officer, Qatar Cool commented "we are delighted to have worked with HOPE Qatar, the service they provide to differently abled children in Qatar is exceptional. We strive to be a part of the community and lend our services where we can. Our corporate social responsibility is of the utmost importance to us as it forms part our DNA as an organization as well as individuals".
