

Qatar Cool Actively Supports Qatar National Sports Day

Qatar District Cooling Company, also known as Qatar Cool, a major district cooling company in the region joined United Development Company (UDC) in a walkathon on the Pearl-Qatar, in support of the Qatar National Sports day on the 10th February.

The walkathon took place on the board walk around the Porto Arabia marina, where Qatar Cool employees marched in support of the country's dedication to making sports a major pillar of the Qatari community.

Since the launch of National Sports Day in 2012, Qatar Cool has actively participated in sports events and encouraged all its employees to engage enthusiastically in the different sports events that it organizes for its employees throughout the year.

Yasser Salah Al-Jaidah, Chief Executive Officer at Qatar Cool comments on the occasion: "we are committed to play a role in achieving the "human development" pillar of the Qatar National Vision 2030. As in every year, our participation in Qatar National Sports Day activities is a testament to our commitment to raising a healthy workforce, both mentally and physically"
